

2017-2022

# ALL-HAZARDS MITIGATION PLAN

CUYAHOGA COUNTY OFFICE OF EMERGENCY MANAGEMENT

Prepared by:

**Michael Baker**

INTERNATIONAL

Department of Public Safety & Justice Services | [Ready.CuyahogaCounty.us](http://Ready.CuyahogaCounty.us)

The Cuyahoga County Office of  
**EMERGENCY MANAGEMENT**

**READY** ✓  
**CUYAHOGA COUNTY**  
Every Person. Every Emergency.

# Table of Contents

---

|   |      |
|---|------|
| Section 1. Introduction .....   | 1-1  |
| 1.1 Background and Purpose.....   | 1-1  |
| 1.2 Authority .....   | 1-2  |
| 1.3 Plan Organization .....   | 1-2  |
| Section 2. Community Profile .....                                      | 2-1  |
| 2.1 History of Cuyahoga County .....                                    | 2-1  |
| 2.2 Geography, Topography, and Climate .....                            | 2-2  |
| 2.2.1 Geography .....   | 2-2  |
| 2.2.2 Topography.....   | 2-2  |
| 2.2.3 Climate.....  | 2-3  |
| 2.3 Population, Occupancy, and Demographics.....                        | 2-4  |
| 2.3.1 Population.....   | 2-4  |
| 2.4 Employment.....   | 2-7  |
| 2.5 Land Use and Future Development Areas .....                         | 2-7  |
| Section 3. The Planning Process.....                                    | 3-1  |
| 3.1 Planning Process.....   | 3-1  |
| 3.2 Organize Resources .....  | 3-2  |
| 3.2.1 Building the Planning Team .....                                  | 3-2  |
| 3.2.2 Public Outreach .....   | 3-4  |
| 3.2.3 Review and Incorporate Existing Information .....                 | 3-8  |
| 3.2.4 Assess Risks.....   | 3-8  |
| 3.2.5 Develop Mitigation Plan .....                                     | 3-9  |
| Section 4. Hazard Identification & Risk Assessment (HIRA) .....         | 4-1  |
| 4.1 Identifying the Hazards .....                                       | 4-1  |
| 4.2 Hazard Event Data.....  | 4-5  |
| 4.3 Event Narratives .....  | 4-5  |
| 4.4 Hazard Profiles .....   | 4-5  |
| 4.4.1 Threat and Hazard Identification and Risk Assessment (THIRA)..... | 4-5  |
| 4.5 Critical Facilities.....  | 4-6  |
| 4.6 Health Related Emergency .....                                      | 4-8  |
| 4.6.1 Hazard Identification .....                                       | 4-8  |
| 4.6.2 Regulatory Environment.....                                       | 4-9  |
| 4.6.3 Hazard Events/Historical Occurrences .....                        | 4-9  |
| 4.6.4 Magnitude/Severity .....  | 4-10 |

|   |      |
|---|------|
| 4.6.5 Frequency/Probability of Future Occurrence .....            | 4-11 |
| 4.6.6 Inventory Assets Exposed To Health Related Emergencies..... | 4-11 |
| 4.6.7 Potential Losses from Health Related Emergencies.....       | 4-11 |
| 4.6.8 Response Planning .....                                     | 4-11 |
| 4.6.9 Health Related Emergencies HIRA Summary .....               | 4-11 |
| 4.7 Flooding.....   | 4-12 |
| 4.7.1 Hazard Identification .....                                 | 4-12 |
| 4.7.2 Regulatory Environment.....                                 | 4-13 |
| 4.7.3 Hazard Events .....   | 4-20 |
| 4.7.4 Historical Occurrences .....                                | 4-22 |
| 4.7.5 Magnitude/Severity .....                                    | 4-23 |
| 4.7.6 Frequency/Probability of Future Occurrences .....           | 4-26 |
| 4.7.7 Inventory Assets Exposed to Flooding .....                  | 4-26 |
| 4.7.8 Potential Losses from Flooding .....                        | 4-29 |
| 4.7.9 Land Use & Development Trends .....                         | 4-33 |
| 4.7.10 Flooding HIRA Summary.....                                 | 4-33 |
| 4.8 Extreme Temperatures .....                                    | 4-34 |
| 4.8.1 Hazard Identification .....                                 | 4-34 |
| 4.8.2 Regulatory Environment.....                                 | 4-35 |
| 4.8.3 Hazard Events .....   | 4-35 |
| 4.8.4 Historical Occurrences .....                                | 4-35 |
| 4.8.5 Magnitude/Severity .....                                    | 4-37 |
| 4.8.6 Frequency/Probability of Future Occurrences .....           | 4-39 |
| 4.8.7 Inventory Assets Exposed to Extreme Temperatures.....       | 4-39 |
| 4.8.8 Potential Losses from Temperature Extremes.....             | 4-40 |
| 4.8.9 Land Use & Development Trends .....                         | 4-41 |
| 4.8.10 Temperature Extreme HIRA Summary.....                      | 4-41 |
| 4.9 Severe Winter Storms.....                                     | 4-42 |
| 4.9.1 Hazard Identification .....                                 | 4-42 |
| 4.9.2 Regulatory Environment.....                                 | 4-44 |
| 4.9.3 Hazard Events .....   | 4-44 |
| 4.9.4 Historical Occurrences .....                                | 4-46 |
| 4.9.5 Magnitude/Severity .....                                    | 4-48 |
| 4.9.6 Frequency/Probability of Future Occurrences .....           | 4-50 |
| 4.9.7 Inventory Assets Exposed to Winter Storms .....             | 4-50 |
| 4.9.8 Potential Losses from Winter Storms .....                   | 4-50 |

|  |      |
|--|------|
| 4.9.9 Land Use & Development Trends .....                            | 4-51 |
| 4.9.10 Winter Storm HIRA Summary .....                               | 4-51 |
| 4.10 Geologic Hazards .....  | 4-52 |
| 4.10.1 Hazard Identification .....                                   | 4-52 |
| 4.10.2 Regulatory Environment.....                                   | 4-55 |
| 4.10.3 Hazard Events .....   | 4-55 |
| 4.10.4 Historical Occurrences .....                                  | 4-56 |
| 4.10.5 Magnitude/Severity .....                                      | 4-57 |
| 4.10.6 Frequency/Probability of Future Occurrences .....             | 4-59 |
| 4.10.7 Inventory Assets Exposed to Seismic/Earthquake Activity ..... | 4-60 |
| 4.10.8 Potential Losses from Geologic Hazards.....                   | 4-61 |
| 4.10.9 Land Use & Development Trends .....                           | 4-67 |
| 4.10.10 Earthquake HIRA Summary .....                                | 4-67 |
| 4.11 Drought.....  | 4-68 |
| 4.11.1 Hazard Identification .....                                   | 4-68 |
| 4.11.2 Regulatory Environment.....                                   | 4-70 |
| 4.11.3 Hazard Events .....   | 4-70 |
| 4.11.4 Historical Occurrences .....                                  | 4-71 |
| 4.11.5 Magnitude/Severity .....                                      | 4-71 |
| 4.11.6 Frequency/Probability of Future Occurrences .....             | 4-74 |
| 4.11.7 Inventory Assets and Potential Losses Due to Drought.....     | 4-75 |
| 4.11.8 Potential Losses from Drought .....                           | 4-75 |
| 4.11.9 Land Use & Development Trends .....                           | 4-75 |
| 4.11.10 Drought HIRA Summary.....                                    | 4-75 |
| 4.12 Severe Thunderstorms .....                                      | 4-77 |
| 4.12.1 Hazard Identification .....                                   | 4-77 |
| 4.12.2 Regulatory Environment.....                                   | 4-78 |
| 4.12.3 Hazard Events .....   | 4-78 |
| 4.12.4 Historical Occurrences .....                                  | 4-80 |
| 4.12.5 Magnitude/Severity .....                                      | 4-82 |
| 4.12.6 Frequency/Probability of Future Occurrences .....             | 4-84 |
| 4.12.7 Inventory Assets Exposed to Thunderstorms .....               | 4-85 |
| 4.12.8 Potential Losses from Thunderstorms .....                     | 4-85 |
| 4.12.9 Land Use & Development Trends .....                           | 4-86 |
| 4.12.10 Thunderstorm HIRA Summary .....                              | 4-86 |
| 4.13 Tornado .....   | 4-87 |

|  |       |
|--|-------|
| 4.13.1 Hazard Identification .....   | 4-87  |
| 4.13.2 Regulatory Environment.....   | 4-88  |
| 4.13.3 Hazard Events .....   | 4-88  |
| 4.13.4 Historical Occurrences .....  | 4-90  |
| 4.13.5 Magnitude/Severity .....  | 4-91  |
| 4.13.6 Frequency/Probability of Future Occurrences .....                               | 4-93  |
| 4.13.7 Inventory Assets Exposed to Tornadoes .....                                     | 4-93  |
| 4.13.8 Potential Losses from Tornadoes.....  | 4-93  |
| 4.13.9 Land Use & Development Trends .....   | 4-93  |
| 4.13.10 Tornadoes HIRA Summary .....   | 4-93  |
| 4.14 Terrorism .....   | 4-95  |
| 4.14.1 Hazard Identification .....   | 4-95  |
| 4.14.2 Regulatory Environment.....   | 4-97  |
| 4.14.3 Hazard Events/Historical Occurrences .....                                      | 4-97  |
| 4.14.4 Magnitude/Severity .....  | 4-97  |
| 4.14.5 Frequency/Probability of Future Occurrences .....                               | 4-98  |
| 4.14.6 Inventory Assets Exposed to/Potential Losses to Terrorism .....                 | 4-99  |
| 4.14.7 Land Use & Development Trends .....   | 4-99  |
| 4.14.8 Terrorism HIRA Summary .....  | 4-99  |
| 4.15 Building/Structural Collapse .....  | 4-101 |
| 4.15.1 Hazard Identification .....   | 4-101 |
| 4.15.2 Regulatory Environment.....   | 4-101 |
| 4.15.3 Hazard Events/Historical Occurrences .....                                      | 4-101 |
| 4.15.4 Magnitude/Severity .....  | 4-102 |
| 4.15.5 Frequency/Probability of Future Occurrences .....                               | 4-102 |
| 4.15.6 Inventory Assets Exposed to/Potential Losses to Building/Structural Collapse... | 4-102 |
| 4.15.7 Land Use & Development Trends .....   | 4-106 |
| 4.15.8 Structural/Building Collapse HIRA Summary .....                                 | 4-106 |
| 4.16 Utility Disruption .....  | 4-107 |
| 4.16.1 Hazard Identification .....   | 4-107 |
| 4.16.2 Regulatory Environment.....   | 4-107 |
| 4.16.3 Hazard Events .....   | 4-107 |
| 4.16.4 Historical Occurrences/Probability of Future Occurrences.....                   | 4-107 |
| 4.16.5 Magnitude/Severity .....  | 4-110 |
| 4.16.6 Frequency/Probability of Future Occurrences .....                               | 4-110 |
| 4.16.7 Inventory Assets Exposed to Utility Failure.....                                | 4-110 |

|   |       |
|---|-------|
| 4.16.8 Potential Losses from Utility Failure .....                                    | 4-110 |
| 4.16.9 Land Use & Development Trends .....  | 4-111 |
| 4.16.10 Utility Failure HIRA Summary.....   | 4-111 |
| 4.17 IT/Communications Disruption .....   | 4-112 |
| 4.17.1 Hazard Identification .....  | 4-112 |
| 4.17.2 Regulatory Environment.....  | 4-112 |
| 4.17.3 Hazard Events .....  | 4-112 |
| 4.17.4 Historical Occurrences/Probability of Future Occurrences.....                  | 4-113 |
| 4.17.5 Magnitude/Severity .....   | 4-113 |
| 4.17.6 Frequency/Probability of Future Occurrences .....                              | 4-113 |
| 4.17.7 Inventory Assets Exposed to IT/Communications Disruptions.....                 | 4-113 |
| 4.17.8 Potential Losses from IT/Communications Disruptions.....                       | 4-113 |
| 4.17.9 Land Use & Development Trends .....  | 4-114 |
| 4.17.10 IT/Communications HIRA Summary.....   | 4-114 |
| 4.18 Active Shooter Incident .....  | 4-115 |
| 4.18.1 Hazard Identification .....  | 4-115 |
| 4.18.2 Regulatory Environment.....  | 4-116 |
| 4.18.3 Hazard Events/Historical Occurrences .....                                     | 4-117 |
| 4.18.4 Magnitude/Severity .....   | 4-117 |
| 4.18.5 Frequency/Probability of Future Occurrences .....                              | 4-117 |
| 4.18.6 Inventory Assets Exposed to/Potential Losses to Active Shooter Incidents ..... | 4-119 |
| 4.18.7 Land Use & Development Trends .....  | 4-119 |
| 4.18.8 Active Shooter HIRA Summary .....  | 4-119 |
| 4.19 Transportation Incident .....  | 4-121 |
| 4.19.1 Hazard Identification .....  | 4-121 |
| 4.19.2 Regulatory Environment.....  | 4-122 |
| 4.19.3 Hazard Events/Historical Occurrences .....                                     | 4-122 |
| 4.19.4 Magnitude/Severity .....   | 4-122 |
| 4.19.5 Frequency/Probability of Occurrences.....                                      | 4-123 |
| 4.19.6 Inventory Assets Exposed To Transportation Incidents .....                     | 4-123 |
| 4.19.7 Potential Losses.....  | 4-125 |
| 4.19.8 Land Use & Development Trends .....  | 4-125 |
| 4.19.9 Transportation Incident HIRA Summary .....                                     | 4-125 |
| 4.20 Hazardous Materials Incident.....  | 4-127 |
| 4.20.1 Hazard Identification .....  | 4-127 |
| 4.20.2 Regulatory Environment.....  | 4-129 |

|   |       |
|---|-------|
| 4.20.3 Hazard Events/Historical Occurrences .....                                 | 4-129 |
| 4.20.4 Magnitude/Severity .....   | 4-129 |
| 4.20.5 Frequency/Possibility of Future Occurrences .....                          | 4-129 |
| 4.20.6 Inventory Assets Exposed To Hazardous Materials/Radiological Release ..... | 4-130 |
| 4.20.7 Potential Losses.....  | 4-130 |
| 4.20.8 Land Use & Development Trends .....  | 4-130 |
| 4.20.9 Hazardous Materials HIRA Summary.....                                      | 4-131 |
| 4.21 Dam/Levee Failure.....   | 4-132 |
| 4.21.1 Hazard Identification .....  | 4-132 |
| 4.21.2 Regulatory Environment.....  | 4-133 |
| 4.21.3 Hazard Events/Historical Occurrences .....                                 | 4-137 |
| 4.21.4 Magnitude/Severity .....   | 4-137 |
| 4.21.5 Frequency/Probability of Occurrences.....                                  | 4-137 |
| 4.21.6 Inventory Assets Exposed To Dam/Levee Failure .....                        | 4-137 |
| 4.21.7 Potential Losses.....  | 4-137 |
| 4.21.8 Land Use & Development Trends .....  | 4-138 |
| 4.21.9 Dam Failure HIRA Summary.....  | 4-138 |
| 4.22 Civil Disturbance .....  | 4-140 |
| 4.22.1 Hazard Identification .....  | 4-140 |
| 4.22.2 Regulatory Environment.....  | 4-140 |
| 4.22.3 Civil Disturbance Events/Historical Occurrences .....                      | 4-140 |
| 4.22.4 Magnitude/Severity .....   | 4-141 |
| 4.22.5 Frequency/Probability of Occurrences.....                                  | 4-143 |
| 4.22.6 Inventory Assets Exposed To Civil Disturbance .....                        | 4-143 |
| 4.22.7 Potential Losses.....  | 4-143 |
| 4.22.8 Land Use & Development Trends .....  | 4-143 |
| 4.22.9 Civil Disturbance HIRA Summary.....  | 4-143 |
| 4.23 Nuclear Power Incident.....  | 4-145 |
| 4.23.1 Hazard Identification .....  | 4-145 |
| 4.23.2 Regulatory Environment.....  | 4-145 |
| 4.23.3 Hazard Events/Historical Occurrences .....                                 | 4-146 |
| 4.23.4 Magnitude/Severity .....   | 4-146 |
| 4.23.5 Frequency/Probability of Future Occurrences .....                          | 4-150 |
| 4.23.6 Inventory Assets Exposed To Nuclear Incidents .....                        | 4-150 |
| 4.23.7 Potential Losses from Nuclear Incidents .....                              | 4-150 |
| 4.23.8 Land Use & Development Trends .....  | 4-150 |

|   |       |
|---|-------|
| 4.23.9 Nuclear Incident HIRA Summary.....                                     | 4-150 |
