

**APPENDIX A:**  
**COSHOCTON COUNTY**  
**CRITICAL FACILITIES**

## Appendix A. Coshocton County Critical Facilities

Critical assets and infrastructures are systems whose incapacity or destruction would have a debilitating effect on the county; this generally includes:

- Government services (only those critical to continuity of government after a disaster; we have included each municipal building and the County courthouse)
- Emergency services (police, fire, hospitals/ambulance, emergency management agency's)
- Water supply treatment plants
- Wastewater treatment plants
- Transportation networks
- Telecommunications infrastructure
- Electrical power systems

The following list of critical facilities was extracted from the County GIS data.
