**Belmont County 2013 Hazard Mitigation Plan  
 Municipal Adoption Resolution**  
 Board of Belmont County Commissioners, Belmont County, Ohio

Commissioner Favede moved to adopt the following:

*WHEREAS*, the Board of Belmont County Commissioners, Belmont County, Ohio is most vulnerable to natural and human-made hazards which may result in loss of life and property, economic hardship, and threats to public health and safety, and

*WHEREAS*, Section 322 of the Disaster Mitigation Act of 2000 (DMA 2000) requires state and local governments to develop and submit for approval to the President a mitigation plan that outlines processes for identifying their respective natural hazards, risks, and vulnerabilities, and

*WHEREAS*, the Board of Belmont County Commissioners acknowledges the requirements of Section 322 of DMA 2000 to have an approved Hazard Mitigation Plan as a prerequisite to receiving post-disaster Hazard Mitigation Grant Program funds, and

*WHEREAS*, the Belmont County 2013 Hazard Mitigation Plan has been developed by the Belmont County Emergency Management Agency in cooperation with other county departments, and officials and citizens of the Board of Belmont County Commissioners, and

*WHEREAS*, a public involvement process consistent with the requirements of DMA 2000 was conducted to develop the Belmont County 2013 Hazard Mitigation Plan, and

*WHEREAS*, the Belmont County 2013 Hazard Mitigation Plan recommends mitigation activities that will reduce losses to life and property affected by both natural and human-made hazards that face the County and its municipal governments,

**NOW THEREFORE BE IT RESOLVED** by the governing body for the Board of Belmont County Commissioners:

- The Belmont County 2013 Hazard Mitigation Plan is hereby adopted as the official Hazard Mitigation Plan of the Board of Belmont County Commissioners and
- The respective officials and agencies identified in the implementation strategy of the Belmont County 2013 Hazard Mitigation Plan are hereby directed to implement the recommended activities assigned to them.

**WHEREAS**, the Village of Yorkville, Belmont County, Ohio is most vulnerable to natural and human-made hazards which may result in loss of life and property, economic hardship, and threats to public health and safety, and

**WHEREAS**, Section 322 of the Disaster Mitigation Act of 2000 (DMA 2000) requires state and local governments to develop and submit for approval to the President a mitigation plan that outlines processes for identifying their respective natural hazards, risks, and vulnerabilities, and

**WHEREAS**, the Village of Yorkville acknowledges the requirements of Section 322 of DMA 2000 to have an approved Hazard Mitigation Plan as a prerequisite to receiving post-disaster Hazard Mitigation Grant Program funds, and

**WHEREAS**, the Belmont County 2013 Hazard Mitigation Plan has been developed by the Belmont County Emergency Management Agency in cooperation with other county departments, and officials and citizens of the Village of Yorkville, and

**WHEREAS**, a public involvement process consistent with the requirements of DMA 2000 was conducted to develop the Belmont County 2013 Hazard Mitigation Plan, and

**WHEREAS**, the Belmont County 2013 Hazard Mitigation Plan recommends mitigation activities that will reduce losses to life and property affected by both natural and human-made hazards that face the County and its municipal governments,

**NOW THEREFORE BE IT RESOLVED** by the governing body for the Village of Yorkville:

- The Belmont County 2013 Hazard Mitigation Plan is hereby adopted as the official Hazard Mitigation Plan of the Village of Yorkville and
- The respective officials and agencies identified in the implementation strategy of the Belmont County 2013 Hazard Mitigation Plan are hereby directed to implement the recommended activities assigned to them.
